CAMP FOCUS	The 12U Development Camp has been designed to inspire and develop the next generation of athletes on their pathway toward future international success, including the potential opportunity to compete at the 2029 Youth World Championships. This one-day experience introduces athletes to the foundations of high-performance artistic swimming in a fun, challenging, and supportive environment. Athletes will train alongside National Team Members and coaches while developing key skills for the 11-12 age group and building strong foundations for future Youth-level competition. Through a variety of movement-based training experiences, participants will enhance the athletic, artistic, and technical abilities that support success both in and out of the water.
COST	The fee for this camp is \$300 per athlete. This includes lunch and snacks on Saturday, August 29. Camp fees will be added to each PSO's RAMP registration fee.
REGISTRATION	To register, please complete the online registration form available here.
