

REVISED ATHLETE ASSISTANCE PROGRAM CRITERIA

January 1st 2020 to December 31st 2020

1. OVERVIEW

The Athlete Assistance Program (AAP) is a program of the Federal Government administered by Sport Canada. It is more commonly referred to as the Carding Program. The Athlete Assistance Program (AAP) is aimed at enhancing the Canadian high-performance sport system. The AAP assists international calibre athletes with their training and competition needs, through the provision of a living and training allowance and, where applicable, tuition expenses. The AAP is also intended to assist carded athletes in dealing with the increasing demands of high-performance sport and to enhance their personal and career development both during, and following, their athletic careers.

The carding cycle for 2020 shall be January 1st, 2020 to December 31st, 2020.

2. ATHLETE ELIGIBILITY

To be eligible for carding nomination, an athlete must meet Sport Canada's AAP's athlete eligibility requirements ([Sport Canada Athlete Assistance Program Policies and Procedures](#)), and:

- a) must be a registered member in good standing of a provincial branch of Canada Artistic Swimming throughout the carding cycle and;

It is also a NCAA-based athlete’s responsibility to determine any procedures that they must follow in order to meet the requirements of the institution’s compliance department.

5. AUTHORITY FOR CARDING DECISIONS

If an athlete does not meet (in the discretion and opinion of Canada Artistic Swimming) any of the criteria or requirements set out in the Canada Artistic Swimming AAP Criteria, Canada Artistic Swimming may decide in its sole discretion, to either recommend withdrawal of carding, or to not nominate an athlete for 2020.

Sport Canada reserves the right to review and revise these criteria with appropriate notice.

Athletes who meet the Senior International criteria are eligible to be nominated for two consecutive years, with the card for the first year referred to as SR1 and the card for the second year referred to as SR2.

Senior International Cards (SR1) will be nominated based on the following criteria:

- a) Athletes who represented and competed for Canada and placed in the top 8 and top ½ of the field at the 2019 FINA World Championship who are members of and training with the 2020 Full-time Olympic Training Group

Development Cards

Development cards are intended to support the development needs of athletes earlier in their career who clearly demonstrate the potential to achieve the Senior International criteria in the future.

A minimum of four months of carding support must be available to nominate an athlete for a Development Card.

Athletes previously carded at the Senior (International or National) level for more than two years are not eligible for Development Cards.
