

COMPETITION RULE CHANGES FOR 2020-2021 SEASON

13-15 FIGURES + TEAM PRELIMINARY EVENTS AT QUALIFIER

Please note that the following rule changes for the 2021 National Competition Season:

- **At 2021 National Qualifier, the 13-15 figures competition will only feature 2 figures instead of 4.**
- **The draw for the 2 figures to be performed in the figures event at the 2021 National Qualifier will be done and announced 4 weeks before the figures submission deadline, on March 5, 2021.**
- **Because of its virtual nature, 2021 National Qualifier will not hold preliminaries for the team events, which all be direct finals. In the 13-15 age group, the start order for the team event will be seeded according to figure results, using the same 20-60-20 rule as the solos and duets.**
