

2023-2024 MASTERS RULES

Rules Changes for Masters in 2023-2024

Following the late announcement regarding Masters Rules from World Aquatics in October 2023, we have added a few simple rule changes for Masters in addition to the ones already formalized in Memo 2024-3-rev. This has been done to follow our regular practice of staying as close as possible to World Aquatics Rules whenever possible.

All changes are marked in red in Appendix III which is available on [CAS Rules & Technical Memo webpage](#).

We remind you to always follow World Aquatics rules if you intend to compete internationally.
